- ☞ An entry clearance can be a Visa or an Entry Certificate.
- ☞ Even if you hold a valid entry clearance you can still be refused entry into the United Kingdom by an Immigration Officer if he is satisfied that:
 - (a) your entry clearance was obtained by false representations or by concealment of relevant facts, whether or not you knew of these actions; or
 - (b) a change in circumstances between the date of your application and your arrival in the UK invalidates your entry clearance; or a refusal is justified on the grounds of restricted returnability, medical grounds, criminal record, because you are subject to a deportation order, or your exclusion would be conducive to the public good.
- ☞ An Immigration Officer can ask anyone to be medically examined on arrival in the UK, if he considers it necessary. You may be required to have a medical examination before your entry clearance is issued.

Drugs Warning: the UK has severe penalties against drug smuggling. Drug traffickers may try to bribe travellers. If you are travelling to the UK avoid any involvement with drugs.

DECLARATION ☞ I have read and understood the notes above.
 ☞ I declare that the information given in this application is correct to the best of my knowledge and belief.

Information you give will be treated in confidence, but may be disclosed to government departments and agencies to enable them to carry out their functions.
